Maximum allowable fees for disposable medical supplies

Providers should collect copayment for disposable medical supplies based on the maximum allowable fee of the supply for each date of service (DOS). Providers are reminded that the quantity of the supply dispensed is *not* a factor when determining copayment amounts.

Maximum allowable fee, per procedure code	Copayment amount, per DOS
Up to \$10.00	\$.50
From \$10.01 to \$25.00	\$1.00
From \$25.01 to \$50.00	\$2.00
Over \$50.00	\$3.00
Urine or blood test strips	\$.50
